

## National Nutrition Month

# EQUIPMENT GRANTS

# ABOUT

The Dairy Council takes great pride in its commitment to supporting education and student well-being. We are delighted to announce our provision of **school equipment grants** aimed at increasing breakfast and lunch participation in schools. We believe that a nutritious and balanced meal is essential for students' overall health and academic success. Through this initiative, we strive to **empower schools** in **fostering a culture of well-being** and ensuring that every child has access to a nourishing start to their day.

In celebration of National Nutrition Month, the Dairy Council of Nevada will award three pieces of equipment to schools committed to providing students with access to nutritious foods through innovative and engaging approaches.
